

## 冰柜租赁合同表

### Freezer leasing contract

Owing to quantities of the freezers, there are 60 horizontal-type variable temperature cabinets and 150 glass gate variable temperature cabinets only for reserve and it applies to rule of first reserving first arrangement. During the leasing period, exhibitors must take care of the freezers; if there is any damage or loss, it must be compensated as original price; if there is any problem about the freezer itself, exhibitors should contact the organization committee in time; the organization committee will send professional personnel to repair or change it ; please send the sheet to the leasing department of the organization if there is any need.

Payment terms: the leasing units should pay the leasing expenses to the account designated by the organization committee in 10 days after confirming and send the remittance receipt to the organization committee; the organization committee will send Letter of Freezer Leasing Confirmation and exhibitors can draw the freezer with the letter.

Note: exhibitors should handle problems of freezers which are not leased from the “seafood expo” organization committee on their own.
